Turning Banner Ads into Engagement Opportunities

SkratchAds makes mobile banner ads fun and rewarding. Users scratch away banners to see if they've won, increasing engagement and brand recall.

Scratch

Users interact with the ad by scratching away the surface.

Reveal

They discover whether they've won or not.

Engage

Winners can claim prizes, while non-winners see a follow-up ad.

Why It Matters

Traditional banner ads get ignored. SkratchAds turns passive impressions into active engagement—better for users and better for advertisers.
